This months featured sponsor is L&L Auto Machine located at 475 Route 184 Groton, Ct. Dave Lebrun and crew can take care of all your auto, marine and race needs. They specialize in crank shaft grinding, custom head work, engine assembly, CK 10 boring and honing and S & W balancing all of which is done in house. Please see Dave for your auto needs and tell your friends about L&L Auto Machine. You can give L&L a call at 445-8075, I know I will when I have my new 289 heads and intake installed this year.
