L & L AUTO MACHINE SERVICE, INC.

475 Route 184, Groton, CT

Hours: 8 to 5 M to F

(860) 445-8075

Dave LeBrun has owned and operated L&L Auto Machine Service, Inc. for over 35 years

in Groton, CT. His shop specializes in all types of engine rebuilding including but not limited to custom valve work, flywheels reground and pressure testing. All work is done in house.

Ed, who has been a familiar face around the shop for 22 years, and Dave have a vast knowledge and experience in custom engine rebuilding from your daily automobile motors to your high performance racing motors. Whatever your engine needs may be, L&L is the place to go.

Dave LeBrun has been a member of the National Hot Rod Association (NHRA) for the past 45 years. Dave and his Camaros are known around many local and nationwide drag strips. He has won numerous class awards and is the holder of over 20 national records.
