Arthur, Eric, & Nathan

Beit Bros. Super Markets, Inc. has been a family owned and operated company serving eastern Connecticut since 1908. We pride ourselves on bringing you the finest shopping experience you'll find anywhere! We take pride in being your neighborhood supermarket and always give you the extra personal service and attention for which we are famous! Known throughout the community for quality goods and services for generations, our primary origins began in the cattle business, opening our first meat market in Norwich in the early 1900's. Shortly after, Beit Bros. expanded into supermarkets. Our family business is now a two store, full service supermarket operation. Family, community, and tradition have long been key to our success

Beit Bros. has come a long way since the old meat market started by Samuel and his sons Nathan, Max, and Louis. This success would not have been possible without the lessons of hard work and giving back to the community. These lessons have been passed down from generation to generation; passed down to Seymour, then Arthur and Nathan, and now down to the next generation. Together, working with a dedicated staff, we have strengthened our customer service and quality goods reputation in the competitive Connecticut marketplace, reinforcing the foundation of our family business tradition since 1908.
