Carol Lovell has owned and operated Plainfield Storage for over 18 years. Carol and her site manager, John, offer a large variety of units for all your needs. There are both climate and non-climate controlled units for either short or long term use. The units vary in size from small for just a few things, to large enough to store a car and more.

The site has 24 hour surveillance and gate access from 8:00 AM to 8:00 PM. Office hours are 9:00 AM to 5:00 PM Monday through Saturday, and gate access 7 days a week.

So, if you need storage space for your belongings, stop by and check out Plainfield Storage.

Carol is also a car lover, and on good weather days, you might see her cruising around town in her 2007 Mustang GT.
