

Feature Car of the Month:

This month's feature car belongs to Allen Thibodeau who has been a member since 2003. His car is a 1986 GT with the 87 thru 93 front end and ground effects. The nose is sporting late model composite headlights and the color is Lime Green. The engine is a 5.0 liter with a T5 5speed manual transmission. The car also has a 5 lug conversion so Allen can sport late model rims and tires. This is one great ride that you can see coming from a mile away.
