

# FEATURE CAR

November, 2006

Howard & Minnie Bogue's  
2006 GT Coupe

This month's feature car belongs to Howie and Minnie's fine looking 06 GT Coupe. This nice looking Stang is fitted with a Steeda exhaust, leather interior riding on Torque Thrust Wheels. Howie and Minnie cruise down the road listening to the 500 watt stereo system and looking cool. Speaking of cool, check out the Custom Reflections tint on the windows. Nice, real nice.
