

## ***Feature Car of the Month:***

*This month's feature car belongs to Paul Bliven. Paul has been a member since June of 2007. His car is a 2007 Roush Stage 3. It is equipped with a 4.6 liter supercharged engine mated to a 5 speed manual transmission. Everything on the car is factory equipment. This is one nice looking pony, that you can hear coming with all those horses under the hood.*
