

Feature Car of the Month: November, 2010

This month's feature car belongs to Mike Pozzetta. Mike has been a member since April of 2010. The 4.6 liter engine in this 2008 Highland Green Bullitt puts out 315 horsepower to the 3.73 rear gears through a Tremec 5 speed transmission. This special edition Bullitt also has special tuned struts and shocks to make it handle and high performance front brakes to help it stop safely.
