Jim & Susan Fletcher's 1994 SVT Cobra

Members since April of 2004, Jim & Susan is real proud of their pretty 1994 SVT Cobra Convertible 5.0 with a 5 speed tranny. This is an Indy Car Replica #416 of 1000 that is Rio Red in color with Camel leather interior and matching top with Dymamax Exhaust. You have to admit, this is a pretty red machine.
