

## *Presidents Corner*

Helloooo Mustangers:

Uncover those Stangs, change the oil, wash and wipe them down. It's time to ride. I don't know about you but I can't wait to roll down the windows and hear the purr of the engine. Cruise season is about to begin.

Auto Zone of Groton on Saturday April 22<sup>nd</sup> is our first gathering of the year. Rob & Tracy have filled the season with some really fun events. Be sure to check out their article on the second page.

I am happy to announce the Larry Pinette has been named the new Vice President. Larry has proven to be a valuable asset not only in getting new sponsors, re-doing the club window decal, but also he and his wife, Diane, have been very active organizing the club raffles and give-aways for the Beit Brothers cruises. I think everyone will be pleasantly surprised by the items the club will be raffling.

This year our club has decided to purchase a sound system for our Beit Brothers cruises. Club member Ian Davis, a part time DJ, has graciously sold us some of his excess equipment at a reasonable price. With this sound system we will no longer have to depend or pay someone to DJ our events. We have not worked out the logistical details of how we plan on getting the system to and from the events or exactly who is going to be doing the actual DJing, but that will be decided before the first Beit Brothers cruise on May 20<sup>th</sup>.

Our events coordinators have set up another fun event. This time it is a gathering to watch the Norwich Defenders on Saturday April 8th at 2:00. If you are interested in supporting our local baseball team, please give Rob & Tracy a call.

*Bo Miller*
