

President's Corner:

It is April again and our first cruise is next week, the 19th at AutoZone in Groton from 12 to 3 pm. I hope every one is as excited as me to get the season started. It is really shaping up to be another great year.

I am glad to see that there are some members who have sent in a couple of items for the Member's Corner. I feel this is a great way for our members to get to know each other even better. So, if you have anything that you would like to share with everyone please send it in. In this months newsletter we are including some changes to the bylaws. Please take a moment to read them over. If there are any ideas, changes or just to give your point of view just let any of the officers know. We are hoping to have the changes voted on at our next indoor meeting.

I would like to thank Lucien for all his hard work getting the website up to date, I know it is very time consuming. Great job.

Just a reminder, that all dues are due in April. Our April cruise is a great way to get the car out for a spin and renew for another year. I hope to see everyone there.

That is all for now.

Jose Lopez
