

President's Corner

April, 2011

Hello gang;

Well it is finally time to start running those Mustangs. I thought that it would never get here. Having all winter to work on my Mustang I found that time goes by quickly and not as many things got done as I wanted. Valve seals are installed, the aluminum valve covers are cleaned and polished and I might have solved my tachometer issue. It should be ready for our first outing at Auto Zone in Groton on April 23rd. This event will start at 12:00 and run until 3:00 pm. After some members will cruise on over to Legends Rock Bar on Rte 12 in Gales Ferry for their Ice Breaker Benefit Car Show. What a way to get the season started by attending two events in the same afternoon. Sure beats being home snowbound! Also on Sunday June 5th there will be a show at Camp Oakdale that we were invited to by Chris McCormack from Safe Harbor Ins in Plainfield. More details for this show will be coming in the near future, so if you want to attend Chris will need an idea as to how many of us will be going. Look at the calendar on the SCMC website for more upcoming events. April 16th there will be an indoor meeting at KOOL 101 in Norwich from 4-6 pm to finalize outstanding discussions.

See you all there
Lucien
