

## **President's Corner: August, 2009**

*Hello all.*

*The 4th of July parade was a success, again. We had 16 cars signed up with 13 of them making it to the parade. Thanks to all those who turned out to make this year's parade and a huge thank you to Lucien for taking the extra time needed to set up the cars. I hope next year's event will be even bigger. We were able to finally have a cruise night on its scheduled day this month. From what I hear we had a great turn out. I just cannot believe that July is almost over. That leaves just two more cruise nights of our season, so come on out and enjoy the day with other car enthusiasts. Our annual club picnic is fast approaching. This year it will be on the 1st at the St. Thomas More School in Oakdale. If you plan on attending please check out the flyer in this month's newsletter. Another event happening this month is our Baseball Fundraiser. We are currently selling tickets to a Connecticut Defenders game on Saturday August 22nd. Please contact any officer if you are interested in attending or would like to help sell tickets. Tickets are \$8 and we will have a section roped off for us at the stadium on that day. There are a bunch of other things that go with this event, so please contact any of the officers to get more information. Well that is all for now. Hope to see everyone at these up and coming events.*

*Jose Lopez*
