

## PRESIDENT'S CORNER

The Holidays are now upon us. I want to wish all members and our sponsors a safe and Happy Holiday Season. Please take care when traveling to visit family and friends. Each winter the members gather to discuss what changes need to be made or what new ideas to ad. Lots of things get done during this time. The club is looking into acquiring some DJ equipment. Jose Lopez is heading this project and should have all the details soon. This will help us to have better control of the cruise nights and not have any problems with getting some one at the last minute as in the past. We are looking into improving the structure of this event as we were new to the location. The new ideas will be worked on with the sponsor in hopes of better organizing the cruise.

Keep in mind also that the annual Holiday Party is coming in January. Details for this event are now being worked on and should be available by the next newsletter. Look for an email or in January s newsletter for details for this fun time. If you plan to attend **PLEASE BE SURE TO RSVP** one way or the other. Recent lack of participation has lead to cancellation of events as many of them require reservations for group discounts. We encourage members to attend any gatherings or events as they are a fun time for all. For those who don t know anyone, this is a great opportunity to get to know the great people we have in the club. Look also for fun nights such as bowling and dinner and so on during the winter. The newsletter also needs attention from the membership. Please if you have anything that you think will interest the club, feel free to write and submit an article to Bo. We are always looking for things and I know that some of you have something to share with the rest of us. It could be anything from repairs, information, recalls you may know of etc. If you have anything send it to Bo Miller at [lmiller48@comcast.net](mailto:lmiller48@comcast.net). **The next meeting will be on December11th from 1-3 pm at the radio station on Cuprak Rd in Norwich.**
