

President's Corner

December, 2009

Hello gang;

The Holiday season is now upon us. Please travel with care and keep a sharp eye on things around you while going holiday shopping or driving to see family and friends. With that I am sure many of you are now working on your Mustangs or are making a must have upgrade list of parts. Remember that even when working on your car please take great care and keep safety first and foremost. We want to see you all in the spring.

I hope everyone had a great Thanksgiving Holiday. Patty and I enjoyed ours as her son Justin had come home on leave from Afghanistan for two weeks. Needless to say we were very busy during that time enjoying the fact that he was home safe even if it was for only two weeks. Justin left November 30th to report back to duty. Patty and I are very proud of him. We all miss him and wish him and his fellow soldiers to please stay safe and come home soon.

Any one with information on events being held next year should send them to me so I can put the information in next years calendar. I am hoping to have the calendar ready for no later than February. Also if you have an idea for something that you think we would like to do bring it to the next meeting on December 19th. If you have a sponsor contact and they are interested in having an event with us please get the information to the meeting so we can work out details.

Remember that the next meeting is December 19th at 4:00 pm at Olympic Pizza in Norwich. Hope to see you there. Remember this is your club and your ideas are welcome and needed as we cannot grow with out you.

See you all there,
Lucien
