## ***February, 2011***

Hello gang;

Well I say enough already with all this snow and ice and let's get to spring so we can relax, and not have to worry about where to put the snow from the next storm or if our roofs will stay intact. With that said I want to thank Dan & Barbara Breton for hosting this year's holiday party. It was a great time to relax and there was plenty of great food to be had as well. Chuck Lowery showed everyone a presentation of his trip on Route 66. It is an awesome trip to take. Chuck met many people with great stories on the way and took some great photos also. Thank for the trip on Rte 66. It was great!

If you have any events that you want to see the club attend as a group please let me know so they can be added to the calendar for the year. Events will be posted in the newsletter and on the web sites calendar. Any member that wishes to put an article in the newsletter should contact Patty Chattell at [pchattell@comcast.net](mailto:pchattell@comcast.net). Any thing you think members would like to hear about is greatly welcome. We are planning on an outing to Wrights Chicken Farm on March 26<sup>th</sup>. Members wishing to attend should RSVP to Patty Chattell no later than March 14<sup>th</sup>. A time and place to meet will be set up.

Spring is fast approaching and we are winding up things for this coming season so be sure to get your ideas in at the next meeting which will be February 19<sup>th</sup> at the KOOL 101 radio station in Norwich. Meeting starts at 4:00 pm so please be on time as the door is locked.

See you all there

Lucien
