

PRESIDENT'S CORNER

Hope everyone had a safe and enjoyable Holiday Season. Mine went well in many ways. January brings new changes in the club. The new officers are to begin their rolls and be sworn in at the next meeting. New communication ideas are being set up to insure that all members are well informed of club happenings. Rob & Tracy are working hard to complete next season's calendar to include new ideas for events that are in the works. Speaking of fun things to do, the Annual Holiday Party is being held on January 14th at the home of Frank & Sue Ewing. The festivities begin at 5:00 pm. If you have missed this in the past and wanted to attend, now is the time. Please contact Frank and RSVP. For more details see the Holiday Party article in the newsletter. The time for the monthly meeting has been changed to 4:00 pm on the second Sunday of the month beginning in February. The location is still at the radio station on Cuprak Rd. in Norwich. This change was made to help make it easier for those members who want to attend but couldn't due to the earlier time. Hope to see everyone at the Party and or the next meeting.
