

President's Corner

January, 2010

Hello gang;

I hope everyone had a great Christmas Holiday and received all the cool accessories and gadgets for their 'Stangs. Thankfully there is still time to put them on and be ready for spring.

There is still lots to do to get ready for the upcoming season. Any one with 2010 show dates that you know of please send them to me so they can get into the calendar for the season. Also check with your sponsor contacts to see if there is anything they would like us to do. It is the least we can do for them as they help us through each season with our goals. When you contact your sponsors please let them know that it is also time for renewal.

On December 6th Bob Loiselle, Armand Chattell and myself went to the Children's Medical Center in Hartford to deliver the check for the funds the club raised through the sale of butterflies at the cruise nights. Robin Vidito was our contact and tour guide. Robin gave us a tour of the hospital and a little insight as to why things are set up certain ways there. Everything evolves around the children they treat and the comfort and care the patients and family members receive. Every thing from staff to surroundings and on site rooms for Mom and Dad so they can be close by makes this hospital unique.

Patty and I would like to thank SCMC and all its member for the donation of \$100.00 and all the Christmas cards and notes that were collected so they could be sent to the soldiers in Afghanistan. All donations we received totaled to eighty pounds that was shipped. Justin informed us that the packages arrived in time for Christmas. There were around 60 cards, candy, cookies, pens, wipes, and many other items that went out. I also want to thank the employees at Charles Toyota who also helped in this project.

The next meeting will be January 16th at Olympic Pizza from 4-6 pm.

See you all there,
Lucien
