

## **President's Corner:**

*Our May cruise has come and gone, Memorial Day has also passed and June is here. This season is already going too fast. In this newsletter you will find information on the Fourth of July, club picnic and our regular events.*

*The May cruise was a great success. With the weather cooperating, we had over 50 cars turn out for the event. This was our biggest turnout for a May cruise yet. I would like to thank everyone who helped out by making this one of our smoothest running events. I hope to see everyone at the June 21<sup>st</sup> cruise.*

*The fourth of July is just around the corner. Again we have been asked to participate in the Groton 4th of July parade. This is a very fun event. In years past we have always had a great turnout. After the parade everyone is invited to Kathy's and my house for a cookout. Please see the flyer for more information.*

*Another fun event coming up is the club picnic in August. There is also a flyer in this month's newsletter for that event and more info in next months newsletter.*

*That is all for now.*
