

PRESIDENT'S CORNER – MARCH, 2006

Heloooo Mustangers:

Spring is fast approaching and before you know it we will be gathering our Mustangs together in the years first round up. If you have not put a breath of life into your Stang in a while, now is a good time to do so. As you know winter is long and cold and it is good to get the juices flowing in your steed, so if you have not done so, go pamper her a bit and warm that pony up. Also, this month is a good time to do some maintenance on your mare. Points, plugs, oil, fan belts, and hoses are just a few things that should be checked or you may find yourself coming up with a lame horse when you want to take her out for a ride.

This year events coordinators Rob and Tracy have compiled a great calendar of events. This not only includes the Beit Brothers Saturday night gathering, but also Bingo Night, actual cruises from one location to another, Spring Tour, and the already successful Bowling and Dinner event. So stay tuned for upcoming announcements.

Personally I am real excited about the club this year. We are fortunate to have some new faces become involved and taking an active role in club activities. This is very important for future development and growth of the club. The more members that are involved helps spread the overall responsibilities. Also with new people comes new ideas to make our club even better. Every contribution is a building block to bigger and better things and its rewarding to know that we all are a part of it. In future articles it will be apparent who the new contributors are, but for right now I would like to thank them for their time and effort.

At this time it is with regret that I accept Frank and Sue Ewing's resignation as V.P. and the club. I would like to thank them for their contributions. And wish them well.

Per Art. VII, Sec.1 of the bylaws I will appoint a new Vice President.
