

## President's Corner March 2008

Hello all.

The spring season is fast approaching. It will soon be time to bring out the Mustangs once again. Our first cruise of the season will be at AutoZone in Groton on April 19th from 12 to 3pm. With the start of the cruise season it signals the end of our indoor meetings. Our last meeting will be on March 15th at our normal location. The meeting starts at 4pm. If there is anything you would like to see done this year or

find out what areas we could use help in please come on down. We have several events planned and committees that everyone can be a part of. In this months newsletter there is a new section called the Member's Corner. We will use this section for members who have anything that they would like the rest of the club to know. Such as any announcements or any other information they would like to share. If you would like to have anything published in this section please send me an email or give me a call. Hopefully this will make the newsletter a little more personal for everyone in the club.

That is all for now.
