

President's Corner

March, 2010

Hello gang;

First I would like to thank Kathy Chase for filling in for Chuck Lowery at the February meeting as he was out of town on business. As in the past she did an excellent job. Lots of ideas were discussed with Jack Fitzpatrick from Tri-Town Foods on ways to better the monthly cruise for them and the club. We will be putting together some of these ideas in this years events. The calendar is done except for a couple items that need to be verified. You have until March 10 to add events to the printed calendar, anything after that will be added to the list of events in the newsletter.

Our first event will be at Auto Zone in Groton from 12-3 pm. The season is closer than you think so get those Stang's ready because it will be here before you can blink an eye. This years goal is to have as many members as we can get together to attend non club events and have fun and get to know each other better. Also we need members to help with the running of club events. The success of our events is the result of everyone's hard work. If you have wanted to help but wasn't sure what to do just ask me or any officer or member present at the event and we will point you in the right direction.

Finally, dues are due by the first event in April. You can send your check to
Jeff Watterson
11 Almond Dr.
Waterford, CT 06385

or you can see him or any officer at one of the events. Also please make sure that your sponsors' info is up to date for this year. Make sure there is a business card for them on file so they can be added to the website and newsletter.

Remember Auto Zone will be on the 17th of April with a rain date of the following Saturday.

See you all there,
Lucien
