Helloooo Mustangers:

It's that time of year again where everyone gets excited about taking their Stangs out for a run. I have taken my Mach out a couple of times and real enjoy hearing the rumble of my 428. It is just a great feeling cruising down the road.

I am very excited about the upcoming season. The winter meetings proved to be very productive where a number of members contibuted a lot of new ideas. As a result we have made a few changes to our Beit Brothers Cruise night that I think will be very well received. I would list some of the items, however I would rather you come see for yourself. The 1st Beit Brother Cruise night is Saturday, May 20th 5:00-8:00.

Our first outside event was held at Auto Zone of Groton on April 29th. The weather cooperated and we had a great turnout of close to 40 cars. Along with all the Stangs there were a number of spectators who stopped to check out the action. We even had a couple Chevy's rumble in. All in all it made for a great event. We would like to thank Auto Zone for their continued support.

On May 6th club members enjoyed the 2006 Spring Tour to Newport R.I., arranged by club events coordinators Rob & Tracy. We left Tim Hortin's of Groton at 10:00 am and cruised down Rt. 184 to Rt. 2 where traveled Westerly and picked up Rt. 1 to Newport. We spent a couple of hours in Newport then traveled past the mansions to a park on the water where a number of kites were being flown. It was a great time and enjoyed by all.
