

President's Corner:

Once again the April cruise was a big success. I would like to thank all involved with making the Autozone cruise the best one yet. The weather was perfect and the turn out was great. With the April cruise now past, the season is just heating up. This coming Saturday will be our first of several sponsor cruises followed by our first Beit Brothers Cruise the following week, May 17th. If there is anyone interested in helping out at any or all of our summer cruises please email me or let any of the officers know. We could always use the help with the raffle ticket sales and table, the food table and parking just to name a few. Any one wishing to help needs to be there by 4 to get set up by 5. We are also trying to set up an outing to Wright's Chicken Farm for May 31. Again, if you are interested please email me or let me know by the Beit Brothers cruise so that we can get a head count for the dinner reservations.

On a sad note, Lucien Boutin lost his father on April 28th. On behalf of SCMC I would like to express our deepest sympathy to Lucien and the Boutin family. Our prayers are with you.

That is all for now.

Jose Lopez
