

Helloooo Mustangers:

Happy Holidays to all you Mustang owners. I hope you all get that something special for your Pony. As we all know, there is always something you need or would like to add to that Stang to dress them up. So start leaving that list around the house and maybe you will be surprised come December 25th.

We held our first inside meeting at the new location and I must say it is a great spot. It is easy to find in Norwich and the meeting room is perfect with seating people. Thanks to club secretary Kathy Chase for making these much needed arrangements for our growing club.

I would like to take this opportunity to thank Jim Reed and KOOL 101 for letting us use the radio station meeting room over the past 3 years. It served us well however we needed a space with a larger seating arrangement to accomodate our growing membership. Thanks again Jim for all you have done for the club.

The November meeting date was moved from Sunday night starting at 4:00 to Saturday starting at 4:00. This temporary change was discussed at the meeting and it was decided that Saturday nights were preferred over Sundays. As a result going forward our club meetings will be held on Saturdays. Because of the holidays and the busy schedules of our members we will hold our monthly meeting on Saturday, December 2nd at 4:00 at our new location, which is actually on the hill in down town Norwich.

Colleen and myself will be hosting this years holiday party at our home in Ledyard. This festive event is scheduled for Saturday, January 13, 2007 starting at 6:00pm. More information will be included in the January Newsletter.
