

# ***President's Corner***

## ***November, 2009***

Hello gang;

I would like to take this opportunity to thank every club member who helped in running this year's events. As usual it could not be done without you. Great job!! I would also like to thank all our business sponsors and supporters who have helped us this season as their support contributes to our successful cruises. SCMC looks forward to their continued support in the upcoming season and beyond.

As you all know this year the club held elections for officers. There are still two positions that are open. I am looking for a Secretary and a Treasure. Currently two people have expressed interest in the Treasure position. If you are interested in one of these positions email me at [lgboutinsr@comcast.net](mailto:lgboutinsr@comcast.net) or call me at 860-230-0574. I will be talking to those interested and appoint some one to those positions as soon as possible.

I am interested in your ideas for moving forward. Please give me your thoughts on how you think we are doing and where you think maybe we should be heading. Remember that all ideas and thoughts are welcome and you never know what might work until it is discussed. Some times what might be thought of as not a good idea can be the best thing to do.

Remember that our indoor meetings are now being held at Olympic Pizza located at 372 West Main St Norwich across from Surplus Unlimited. Meetings are still on the third Saturday of the month from 4 pm - 6 pm. Next meeting will be on Saturday November 21<sup>st</sup>. Also on that night Dream Machines will be holding a dance at the Knights of Columbus in Taftville from 8 – 12. This is always a good time so if you want something to do after our meeting this will be fun.

See you all there,  
Lucien
