

President's Corner

October, 2011

Hello gang;

First I would like to say thank you to all club members who have again stepped up to help out with the club cruise nights and other events through out the season. With out you the events would not run smoothly. Once in a while it seems that some things might not be able to get done but some one always steps up. While every season has its challenges SCMC members always find a way to make it work. Let's not forget all the sponsors and supporters of SCMC who also play a huge part in what we do. The behind the scene support they supply helps us accomplish a great many things.

On October 2nd SCMC is holding its first ever car show to raise money for the Connecticut Children's Medical Center in Hartford. With sponsors CJ Tool, Stanton Equipment, KOOL 101 the car show committee is hoping for a great event. Let's hope no Tropical storms spoil the show. Hope to see you all there for this event. Tri-Town Foods is helping out by selling our butterflies during the month of October. As you all know this is how we raise funds for the hospital. This year should be great with all the outside support.

Finally officer nominations were held at the September cruise instead of the August cruise due to Tropical storm Irene. The results of the nominations can be found later in this newsletter. New officers will take on their duties in October after final voting is done.

The first indoor meeting for the winter months will be held at the KOOL 101 studio on Cuprak Rd in Norwich. Meetings start at 4:00 pm and run until 6:00 pm. Please plan to arrive around 3:45 as the studio doors are always locked. First meeting is on October 15th.

See you all there,
Lucien
