

*September, 2005 Issue*

## **President's Corner....**

For those members that do not know, club election of officers is to take place this year. Rules governing the elections and who is eligible to run for office can be found in the bylaws under Article VI. Nominations will be taken at the next cruise on September 17<sup>th</sup>.

September 17<sup>th</sup> is also the last cruise of the season. Once again we will hold a sponsor appreciation day at the event. Any one who has contacted sponsors for this year is asked to see if they can send a representative to the event. Remember that with out our sponsors these events would not take place. Please let me know if you have contacted your sponsor and if they will send someone to the cruise. It is very important that we thank them for all their support.

Also coming September 23<sup>rd</sup> at Ocean Beach in New London the 3<sup>rd</sup> annual Oldies Dance to benefit the Women's Center of Southeastern CT will take place at the Port N' Starboard from 8 until midnight with music by The PO'M. There will be raffles, great music, lots of family & friends having fun. This event has been a great time had by all and many who have attended in the past are looking forward to this year.

Please support this event by selling tickets to family & friends and if they cannot make it see if they will help by purchasing a ticket anyway to help. Let's try to break last year's effort. You can get tickets from me by calling at 860-564-4671 or at any event before the dance. Remember the more money we raise helps the Women's Centers programs to make someone's life better and safer.

Remember that elections are here so think about who you want to have in office to see the club go on to a new level.

*Lucien Boutin, Sr.*
